## WORK EXPERIENCE

---

### DESIGN COLLABORATIVE

#### ARCHITECTURAL INTERN

January 2019 - August 2019

- Worked on two separate design teams in during a 7-month long internship, healthcare and higher education.
- Implemented 3d printing and helped work it into the firm's design process.
- Led project meetings with consultants and the client.
- Worked with other interns on a design research project.
- Attended construction meetings and visited sites to complete site measurements.

### MOAKE PARK GROUP

#### ARCHITECTURAL INTERN

May 2018 - August 2018 / December 2019

- Worked in the schematic design phases to layout the beginnings of projects and presenting the ideas to the client.
- Created visual models to present to clients to showcase the abilities of the firm.
- Worked on building feasibility studies and conducted research into potential building re-use.
- **Project Close-Out:** Completed on-site inspections/punch lists, monitored quality control.

### BALL STATE ATHLETIC MEDIA RELATIONS

#### STUDENT EMPLOYEE

August 2016 - Current

- Managed the Twitter accounts for multiple Ball State Sports teams, primarily Men's and Women's Volleyball teams.
- Set up and run press conferences for multiple teams.
- Created and updated flipcards in InDesign for different events and updated records for different teams.
- Help media outlets with any issues that come during events.

### USA HOCKEY

#### ON-ICE OFFICIAL

November 2011 - November 2018

- Enforce rules and regulations of games while keep the players, coaches and other officials safety and well being as a primary goal.
- Teach and develop players to understand the rules and regulations of ice hockey at different levels.
- Check and review scoresheet for correct participants at the beginning of the game and at the end of the game review scoresheet for accuracy.
- Write and report any incidents to the local governing bodies for review.
